XT25

LIFE OF THE PARTY

When the party is big and the guest list is long, you need a boat equipped to set it off. Meet the new, huge and hugely drivable XT25. At 25 feet long, there's room for the whole crew and all of their gear. Start the day rolling out massive waves for wakeboarding and surfing. Keep it glassy with some ski runs. And then when the sun gets low, the party gets going. The XT25 is big—but the party is bigger. It's exactly what you need to serve up summer right this year.
